Clubhouse notes: Women Claim Ultimate Victory

The women's team competing in the Thursday night Gin Rummy Game (7 p.m.) have suddenly and devastatingly squashed the Men's team consecutive winning nights record. After the men took the evening of February 18th two games to one; the Ladies swept all three games on February 25th. The men were able to recover enough to make it out the door and to their homes; the women were heard celebrating and texting well into the night.

NEXT WEEK!!!

Don't forget that ladies' games night is every Monday night 7:00, and Mahjonn is every Monday at 1:00 p.m.

And don't forget ladies' exercise swim every morning at 9:00, Monday through Saturday, when the temperature is above 60°.

Board Notes:

[None reported.](#)

From Susan Hawley on Gin Rummy night: Thanks to our "Lucky Charm" named PATRICK, donated to the cause by Jo, the women had a clean sweep tonight winning all three games handily. **Congratulations, ladies!**

Golf Invitational Saturday

The Williamsburg Golf Invitational 2016 will take place this Saturday, March 5th. Tee time is at 11:00 at Miles Grant Community Center at 5101 SE Miles Grant Road, Stuart, FL 34997. There will be a Tournament Dinner Burger Buffet immediately after the tournament is finished. The golfer cost, including golf, dinner, and prizes, is \$45. Any one who would like to attend the dinner, but without playing golf, the cost is \$15.

WEST PALM BEACH, Fla. -- The Washington Nationals and Houston Astros are getting a new home for spring training. The teams are expected to begin training and play spring training games at the \$144 million facility in 2017. When the stadium opens, it will end an 18-year absence of spring training baseball in West Palm Beach after the Atlanta Braves and Montreal Expos left the area in 1997. "One of goals is to make sure as many people as possible have an opportunity to enjoy spring training," Manfred said. "It's such a great part of our year and I think two additional teams here ensures that we have a sufficient body of teams in southeast Florida. I think these are two really appealing teams. They'll draw well and be great competition to the existing teams in the area."

**We are trying to establish a
WEDNESDAY NIGHT GAME NIGHT
at Williamsburg**

BUNCO was a huge success and we hope to continue with a BUNCO night once a month on Wednesday evening.

There are other games we would like to continue on the remaining Wednesday evenings and are trying to establish which games would be the most popular and fun for YOU.

**So, we are having a game night on
Wednesday, March 16, 2016 at 6:30 PM**

We will combine brief versions of fun games to see what is popular and to determine which ones you would like to do once a month on Wednesday evening. These games are fun for everyone and at any age.

The *sampling* of games we will play on March 16th are as follows:

TRIVIA NIGHT

HEADS UP

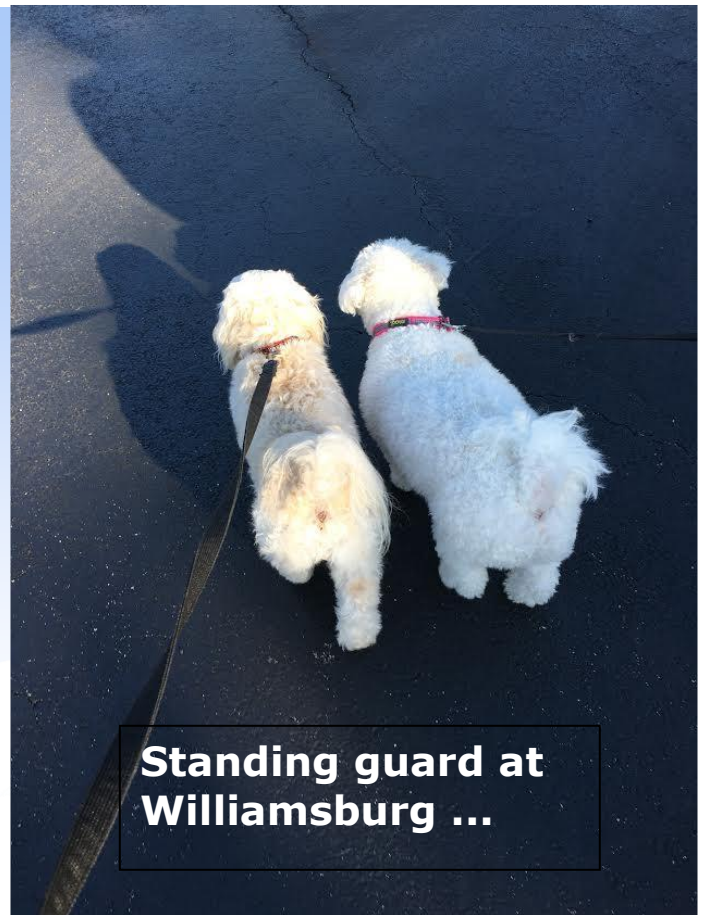

APPLES TO APPLES (in place of *Cards Against Humanity*)

Future
game

Please join in on this fun evening and give your opinion of which games you like and would like to continue playing and which games you may want to consider at another time.

The Gin Rummy Wars - A Rebuttal

The Gin Rummy Wars continued February 25th at the Clubhouse and the ladies came out on top, beating the boys 3 to 0 and we congratulate them in sweeping all the games for the first time ever.

But we must look at the overall picture here. The truth must be told that the boys team were all third stringers playing their first game and they were nervous. And their average age was 89 years and two months and their eyesight wasn't too good. And they were so polite to the ladies. And the ladies rushed them, so they didn't have a chance to make some strategic moves. And some of their shins were brutalized by the ladies in very mysterious fashion. So taking all that into account, the boys were magnificent, god bless them.

Sincerely, Pat Ferguson
