Coffee Filter Corner

(Helpful Hints)

Kinda Amazing Things You Can Do With Coffee Filters

Coffee filters: You know them as the little paper cones that get you from uggghh to ready to face the day. But did you know you can also use them to clean your windows? Or degrease your pizza? Or buff your boots? Here, totally brilliant ways to use them all day long.

CLEAN YOUR WINDOWS

So streak-free, the birds will be fooled.

MAKE AN AIR FRESHENER

Fill 'em up with baking soda and tie 'em with a bow.

PREVENT RUST ON A CAST- IRON SKILLET

Whenever your skillet isn't in use, spread out a filter in the center to suck up harmful moisture.

GARDENISTA

LINE POTTED PLANTS

It'll prevent soil from escaping out through the drainage hole.

Professor Robert Van Dellen, Ph. D., will offer three lectures in 2016 at the Elliott Museum. Professor Van Dellen received his Ph.D in literature from Indiana University and is a noted essayist and writer. The series will be entitled "The Power of Literature: Mapping Passageways." Dates and topics to be covered are:

Feb. 25 6-8 p.m. William Blake's Creative Genius: Painter, Poet and Prophet. The lecture explores the artistic development and maturity of Blake, whose radical voice in support of both the French and American Revolutions is still relevant for us today.

March 31 6-8 p.m. Growing Up & Old with Literature. What great literature teaches us about growing up and growing old – how we love, live and mature through literature. Classic European, British and American authors will be discussed.

[A few things of importance:](#)

- ★ Reminder to residents: if the red fire alarm goes off outside our doors, it's only a warning to us - you should call 911 immediately.
- ★ Reminder: you must have a Williamsburg parking sticker on your car . This will save people time and concern. Please get one from the office from Karen.
