Cucumber Corner (Helpful Hints)

Want to avoid a hangover or terrible headache? Eat a few cucumber slices before going to bed and wake up refreshed and headache free.

Cucumbers contain enough sugar, B vitamins and electrolytes to replenish essential nutrients the body lost, keeping everything in equilibrium, avoiding both a hangover and headache!!

Looking to fight off that afternoon or evening snacking binge? Cucumbers have been used for centuries and often used by European trappers, traders and explores for quick meals to thwart off starvation.

The staff of the Community announces the publication of a new newsletter, the Williamsburg "Chatter". The Chatter will be published twice a month, approximately on the first and fifteenth, during the Winter season. The purpose of the Chatter is to make Williamsburg residents aware of community activities and events. Please contribute things like birthdays, anniversaries, or any other thing of interest to us all. Who won the 50/50 raffle at Halloween???

Reminder: December 8th - 5:30 Christmas party-cocktail party at the Clubhouse.

Don't miss this!

As you may remember in a past issue of Community, we were introduced to a nationally-known Christmas celebration that is right down the street from Williamsburg - the Hobe Sound singing tree. Don't miss it. It starts the evening of December 7th, and you can learn more and get tickets at <http://hobesoundsingtree.com>.

What is the #1 place in the United States for retirement?

According to the real estate experts, it's right here - Martin County!!!!!! Read more by [clicking here](#).

Looking to settle down, empty nesters? Choosing a place to retire sounds easy — everyone has a dream city where they've always wanted to live. Sometimes, though, it isn't as simple as packing up and moving to that beachfront property you've always dreamt of. It's important to live somewhere that satisfies all your care, community and transportation needs while still having enough culture and entertainment options to keep you happy.

First Celebration of the new Season!

On the evening of Tuesday, November 8th, over 50 of our community attended a BYOB dinner and cocktail party celebrating Thanksgiving and the new season at the clubhouse. Beautifully decorated tables and lots of delicious food (see the pictures) made for a great night. The noise could be heard in Miami. Police were not called, however, and the evening ended with little food and drink left over.

The next gala will be a cocktail party on December 8th, in celebration of the Christmas and holiday season at 5:30 (though overeager people start showing up at 5:00). If you have any questions, get in touch with Yvonne.

A 50/50 raffle was held and a bottle of wine was auctioned off and raised a substantial amount of money for Williamsburg activities, though this reporter lost the paper that had the winners' names on it. Sorry.

Fifty people are a good crowd, but many more could have fit it. We hope to see you at the next event.

Let's Get with the Holiday Spirit!!!

Last year we were told that our Christmas decor was old. The stuff we were using could use some sprucing up. So this year we have some Secret Santas who want to revive the holiday vibe and show their flair and that they really do care. They have decided to pair silver blue and white for our ornaments and lights. For anyone else who wants to show some pride we need donations and extra lights for outside. LED soft white lights, holiday greens and a few white deer would give our Williamsburg condos some holiday cheer. We welcome anyone in town to feel free to come around and help spread the cheer for our holidays this year. Special thanks to the Secret Santas for the ornaments and bows already received. Everyone is welcome to donate time or decorations we could use a little of both. Please call Barb Davies or Bonnie Welsh for additional info.
