VOLUNTEER COMMITTEE

Thanks to the following people who signed up for the Volunteer Committee: Virginia Millar, Bldg 8, Unit 103 and Helene. Thank you committee chair Yvonne Beaudet for all your team does. For events or suggestions info send email to Yvonne at

beaud2y@comcast.net.

CONDO CAPTAINS/BUILDING BUDDIES

Because of the importance of the information in this section, it was decided to include it from last issue.

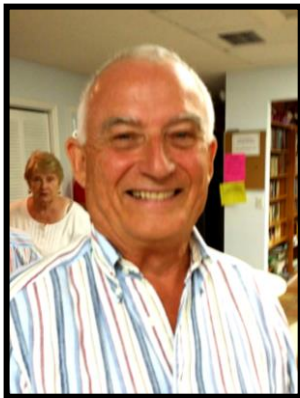

Thank you to the Condo Captains who volunteered for Building #5 – Linda Zurhellen, Building #7 – Doris Marcinka and Building #8 – Peggy Deitz. We are hoping to find some summertime volunteers (April to September) to be condo captains for the other buildings (#1, #2, #3, #4, #6, #9, #10, #11, #12 and #13). We will ask for wintertime volunteers to be condo captains from October to March. A Condo Captain/ Building Buddy is a person who has volunteered to be your “eyes and ears” for your building. This person will work with the Board in helping in communication efforts so that everyone stays in the “know”.

SPRING AND SUMMER ACTIVITIES

Memorial Day Plans...

Memorial Day Picnic is Monday, May 25, 2015 @ 5:30 p.m. It will be a grillfest at the Clubhouse. Bring your own meats to grill, your favorite libation and a friend. Please look for the poster and sign up in the Clubhouse to bring an extra dish to share. Extra desserts will be given to those wearing “red, white and blue”. Thanks to Peggy Deitz and Cindy Denezzo for organizing the party. See you there!!

Mike Bastian leaves us in good shape

Mike was elected to the board last year so he was on the board for just over a year. Prior to that he was chair of the original insurance committee that was instrumental in changing our agent to Rick Carroll Insurance Agency and saving the WCOA a considerable amount of money in insurance costs subsequent to the hurricanes in 2004. Mike remained the chair of the insurance committee as long as the committee was needed.

Subsequently he worked on a committee chaired by Murph that was charged by the Board to review the existing rules and recommend any changes that were deemed needed. Many of the recommendations were adopted by the board at the time.

Mike owned in Williamsburg since March 2003.

Naming our Newsletter

The newsletter staff discussed and considered the suggestions of the community for the naming of this newsletter. The biggest consideration was to find one that was inviting of the entire community to participate in the collection of items to be published. It is the staff’s hope that community contributions would be a large part of every issue. For this reason the name chosen was “Williamsburg Community”, and the masthead is what you see on the first page of this issue. Thank you to all contributors of suggested names

Welcome Dave Zurhellen (Bldg 5 #206), Bonnie Welsh (Bldg. 7 #103), and Debbie Woodcock (Bldg. 8 #205) our first Newsletter Committee volunteers. To make this a valuable communication tool, we could use everyone’s help.

Please take the time to read the Williamsburg Community each time you receive it, and consider sending in items for publication.

Bingo !!!!

It has been suggested that we begin to have BINGO as an activity in the clubhouse.

Anyone interested in organizing this, or any other, activity, please contact Yvonne at

beaud2y@comcast.net.

In our next issue: Hurricane Season: suggestions about a generator, emergency numbers, keys, procedures in case of emergency. Any thoughts? Thank you Frank and Jeanne Nott for volunteering to help with Hurricane Preparation.

Thanks !!!!

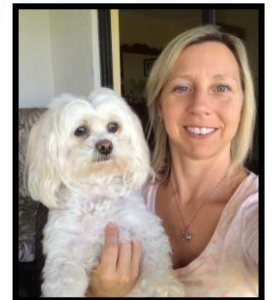

The Board and other residents of Williamsburg would like to extend 'thanks' to Jeanne Nott (Bldg. 5-202). Jeanne took the time to alphabetize the books in the clubhouse and sorted them into fiction and nonfiction.

THANKS!
