We got a new Grill!

During our last HOA Meeting, it was brought to our attention by Paddy McIntyre that our grill was falling apart. The Board was asked to intervene and purchase a new grill- one that was durable and would last awhile. As of February 18, 2015 we are the new proud owners of a Weber Stainless Grill. Thanks goes out to the Board and the condo grillers who made this new purchase possible. Now comes the responsibility of all of us to keep our new grill clean. A Grill Committee is being formed for this venture.

COMMITTEES, COMMITTEES, COMMITTEES

VOLUNTEER COMMITTEE

Thanks to the following people who signed up for the Volunteer Committee: Virginia Millar, Bldg 8, Unit 103 and Helene. The Volunteer Committee will be an integral part of the Social Committee Functions and overall good-deed doers. Thank you Yvonne Beaudet, our social committee chair for all you and your team do. For event info send email to Yvonne at beaud2y@comcast.net.

GO GREEN -RECYCLE

Recycling includes plastic, glass and aluminum, newspapers and broken down boxes. No pizza boxes. The dumpster gets the rest (in plastic bags). Think brown bags or reusable bags versus plastic when you shop. Recycling one aluminum can saves enough energy to run a tv for 3 hours. Please be careful to recycle properly, our monthly fee depends on it.

CONDO CAPTAINS/BUILDING BUDDIES

Thank you to the Condo Captains who volunteered for Building #5 – Linda Zurhellen, Building #7 – Doris Marcinka and Building #8 – Peggy Deitz. We are hoping to find some summertimer volunteers (April to September) to be condo captains for the other buildings (#1, #2, #3, #4, #6, #9, #10, #11, #12 and #13). We will ask for winter timer volunteers to be condo captains from October to March.

A Condo Captain/ Building Buddy is a person who has volunteered to be your “eyes and ears” for your building. This person will work with the Board in helping in communication efforts so that everyone stays in the “know”.

At our “Meet the Candidates” Meeting, many people expressed their interest in bringing back the committees. Now is your chance. If everyone does a little, we can really make a difference in our community relations.

The next newsletter and Board Meeting we will have updates on the Finance, Architectural and Social Committees.
